Financial Advisor Magazine’s (“FA Mag”) annual RIA ranking and survey ranks firms solely on assets under management (“AUM”). The magazine gathered data from RIA firms, regulatory disclosures, and their own research in compiling a list of 707 firms. For the “Top 50 Fastest Growing RIA” list, FA Mag identified 50 firms, with over \$250 million in AUM, with the highest percentage growth in assets from 2016-2017. The ranking should not be construed as an endorsement of the firm’s advisory services and is not indicative of the advisor’s future performance. Your experience may vary.
